

### Response/Reflection:

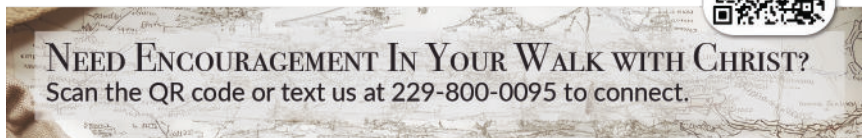

- Based on the message you heard, what is God prompting you to do?
- Based on your treatment of Scripture, what does that say about your treatment of God?
- What are three changes you can make that would help you pursue God more diligently through Scripture?

**There are 4 primary ways that God has revealed Himself to humanity:** \_\_\_\_\_, conscience, \_\_\_\_\_, and the canon of Scripture.

### **The words used for Scripture and the number of times they're used in Psalm 119:**

1. "Law" (tôrāh) occurs 25 times.
2. "Word" (dāḇār) occurs 24 times.
3. "Laws" (mišpāṭîm) occurs 23 times.
4. "Statute(s)" ('ēḏûṭ/'ēḏôṭ) occurs 23 times.
5. "Command(s)" (mišwāh/mišwôṭ) occurs 22 times.
6. "Decrees" (ḥuqqîm) occurs 21 times.
7. "Precepts" (piqqûḏîm) occurs 21 times.
8. "Word" or "promise" ('imrāh) occurs 19 times.

**Principle 1:** \_\_\_\_\_ to God's Word is a major part of devotion to God.

**Happiness comes to those...**

1. Whose way is \_\_\_\_\_
2. Who walk in the law of the Lord
3. Who \_\_\_\_\_ His testimonies
4. Who seek Him with all their heart

**Principle 2:** There is a vital \_\_\_\_\_ between living God's Word and the spiritual \_\_\_\_\_ of God's people.

**Principle 3:** We cannot \_\_\_\_\_ God from His Word. The way we \_\_\_\_\_ God's Word is the way we treat God.

**Principle 4:** \_\_\_\_\_ God is about more than reading or studying the Bible.

**Principle 5:** When God's people seek Him through His Word (being willing to \_\_\_\_\_ and \_\_\_\_\_), it will change every part of life.

**When we're devoted to trusting and obeying God, His Word...**
